Competition 2018

Entry dates

Registrations open on March 15th 2018.

All samples and registration fees must be received by **Mai 10th 2018**.

Participants

Any person of legal age, excluding professional brewers and jury members, has the right to enter the competition. Any professional brewer who would like to present a beer must do so using home brewing equipment, and must inform the competition organizers of their intention (brassam@parisbeerweek.fr).

In any case, the entries received may not be brewed by a third party. Every participant's entry must be their own, otherwise the entry will be disqualified.

How to enter

Registration takes two steps :

1. Sign up and fill out the online registration form on :
<https://www.helloasso.com/associations/bieres-et-papilles/adhesions/inscription-au-concours-de-brassage-amateur-homebrewing-contest-pbw-2018> (the form is only in French, sorry ! But normally not too complicated to fill out;)).
2. Your participation will be finalized once your beer samples are received (drop-off and shipping directions listed below).

Signing up can **only** be done via the HelloAsso registration form (listed above). After completing the registration form send an email to brassam@parisbeerweek.fr with your name and first name to submit your entry.

Participation in the competition implies the full and complete acceptance of the Terms and Conditions. In the event of non-compliance with the regulations , you will be disqualified and your registration fee won't be refunded.

After your registration confirmation, a participation number will be allotted to your entry in a second email. This number must be indicated on the bottles that you enter in the contest.

The bottles must not have any sort of label (you can be disqualified for this), apart from your participation number, which should be written in black ink on white paper, at least 5cm x 5cm in size.

Beers: Number, style, sample quantity

Only one beer can be entered per participant for the competition. The beer, or any another batch of the beer brewed using the same recipe must never have been commercialized.

All styles of beer are accepted. The participants are asked to provide a brief description of their beer in the registration form (see previous paragraph "How to enter").

Each participant must send their beer samples in one of these three formats:

- 4 (four) x 33cl bottles, OR
- 3 (three) x 75cl bottles, OR
